# *Meet Our Riva Boats*

## *Riva Aquariva Passalacqua and Riva Olympic*

### **RIVA AQUARIVA PASSALACQUA**

Passalacqua is one of the newest models in our marina and a shining example of the Riva Aquariva's timeless design in a contemporary key. Passalacqua offers its guests unparalleled comfort, classic Italian style and the best seat on the Lake for villa and village-watching.

### **RIVA OLYMPIC**

Riva Olympic is one of our marina's two Riva boats—the cruiser of choice on Lake Como since the jet-setting sixties—and a classic “motoscafo” model built to commemorate the 1968 Olympics. With its high-performance hull and high-quality finishes, this 23-foot vintage wooden craft is ideal for lounging around on the deck watching the Lake Como world go by.

# *Meet Our Water Limousines*

## *Didi and Bianca, Pupa I and Pupa II*

### **DIDI AND BIANCA**

Didi and Bianca, built by Lake Como's legendary Cantiere Colombo, are the right crafts for families and small groups looking to explore a bit further afield, dine at an out-of-the-way lakeside local or reach speeds that send straw hats soaring. There's a deck for soaking up the sun and a swim platform as well – no better way to live the Lake Como lifestyle!

### **PUPA AND PUPA II**

Signed by Chris-Craft, American manufacturer of luxury boats since 1874, these classic beauties feature stunning woodwork and a jaunty navy-and-red nautical design. Cruising on the Pupas is an ideal way to experience Lake Como's signature charms and feel a part of its rarified history. One great figure of this history was the lady affectionately known as "Pupa", a beloved member of the Grand Hotel Tremezzo and Passalacqua's owner family.
